Dear High School Parent:

Enclosed are route schedules for buses serving your child's school. Please note the appropriate time, location, and route number for your child. Students should be ready and waiting to board the bus five (5) minutes prior to its scheduled arrival time. Route numbers are displayed on each bus, in the side window. Students who live within 2.1 miles of the school may not be eligible for transportation services if safe walking routes are available. Questions should be referred to the transportation cluster supervisor who is responsible for your school.

Bus stops previously scheduled may have been eliminated or relocated to provide economies in operation. Every effort is made to minimize inconvenience to students and parents, and provide a reasonable level of service. Saving support budget dollars provides more resources for classrooms.

When bus stops are scheduled at intersections, students should stand safely away from traffic, within 150 feet of the stop. Parents are responsible for maintaining discipline and safety at bus stops.

Students waiting for buses may choose to stand in carports and garages for protection from the elements. This is acceptable only if: (1) it does not alter the route; (2) it does not increase the number of stops; (3) it is acceptable to all parties involved; and, (4) it is reasonably close to the regular stop (so a substitute bus operator, not familiar with special arrangements, may easily locate the students). Please note that bus operators are only authorized to stop at designated stops. Please do not request unauthorized stops. Montgomery County Public Schools realizes a substantial fuel savings by limiting the number of bus stops.

Inclement weather creates many hardships for us all. It is not possible to provide additional transportation during winter months or on rainy days, and for this reason, students should dress accordingly. In case buses are not able to reach designated stops due to snow and ice accumulation, parents are encouraged to make advance arrangements with bus operators so that students who live in these areas can board at alternate locations when necessary.

Appropriate student behavior is important to the safety and comfort of everyone. Parents are encouraged to discuss behavior with their children regularly to reinforce this message. It is important that all students follow the rules stated in "Ride by the Rules." campaign. For more information on this, please visit <http://www.montgomeryschoolsmd.org/departments/transportation/> or ask your school for one of the "Ride by the Rules" pamphlets.

Student transportation can only operate effectively if we all do our part to make things work. Parental assistance and cooperation are needed to provide a safe transportation system for student riders.

Sincerely,

Sinisa Pavlovic

Estimados Padres de Estudiantes de Escuela Secundaria:

Adjunto remitimos un horario de las rutas de los autobuses que sirven la escuela de su hijo/hija. Por favor, tomen nota de las horas, las paradas y el número de ruta para su hijo/hija. Los estudiantes deben de estar listos para tomar el autobús cinco (5) minutos antes de la hora de llegada señalada. Los números de las rutas están indicados en cada autobús, en la ventana del costado. Los estudiantes que viven a menos de 2.1 millas de la escuela pueden no ser elegibles para servicios de transporte, siempre y cuando haya caminos seguros. Las preguntas deben ser dirigidas al supervisor del núcleo de transporte responsable por su escuela.

Algunas paradas de autobús, previamente señaladas, pueden haber sido eliminadas o cambiadas para economía de operaciones. Se hacen todos los esfuerzos para minimizar las inconveniencias a los estudiantes y a los padres, y proveer un nivel de servicios razonable. El ahorrar dólares en el presupuesto de servicios ofrece más recursos para las clases.

Cuando las paradas del autobús están señaladas en intersecciones, los estudiantes deben de pararse a una distancia segura del tráfico de 150 pies de la parada. Los padres son responsables de mantener la disciplina y la seguridad en las paradas de los autobuses. Los estudiantes que esperan el autobús pueden escoger pararse en portales o garajes para protegerse de los elementos. Esto es aceptable solamente si: (1) no altera la ruta; (2) no aumenta el número de paradas; (3) es aceptable por todos los participantes; y (4) está razonablemente cerca de la parada regular (para que un conductor sustituto, no familiarizado con arreglos especiales, pueda localizar a los estudiantes fácilmente). Por favor, sepan que los conductores de autobuses están autorizados a parar solamente en las paradas designadas. Por favor, no pidan paradas no autorizadas. Las Escuelas Públicas del Condado de Montgomery ahorran una cantidad substancial de gasolina limitando el número de paradas de autobuses.

La inclemencia del tiempo causa muchas penurias para todos. No es posible ofrecer transporte adicional durante los meses de invierno o los días lluviosos, y por esta razón los estudiantes deben vestirse apropiadamente. En el caso de que los autobuses no puedan llegar a las paradas asignadas debido a acumulaciones de nieve o hielo durante los meses de invierno, se le recomienda a los padres que hagan arreglos previos con los conductores para que los estudiantes que viven en estas áreas puedan subir al autobús en otras paradas cuando sea necesario.

El comportamiento adecuado de los alumnos es lo más importante para su seguridad y comodidad. Aconsejamos que los padres hablen del tema con sus hijos para reforzar el respeto a las normas de comportamiento, según se especifican en "Guiese for las Reglas." Para más información, por favor visiten la página Web que indicamos a continuación. También tenemos la misma información, en forma de folletos, a su disposición en las escuelas.

<http://www.montgomeryschoolsmd.org/departments/transportation/>

El transporte de los estudiantes solamente puede operar eficientemente si todos ponemos de nuestra parte para que las cosas trabajen bien. La ayuda y cooperación de los padres se necesita para brindar un sistema de transporte seguro para los estudiantes. Gracias.

Afectuosamente,

Sinisa Pavlovic  
Jefe de Estación
